

GRIFFIN PARC WEBSITE

The new Griffin Parc website has been up and running for a few months. Some of you have not visited the site as of yet (www.griffinparchoa.com). Please be sure to periodically check the site as community updates are posted and your governing documents and architectural application forms are also available on the website.

POOL FURNITURE SALE

This year Griffin Parc purchased new pool furniture for the community pool. The old white pool furniture now needs a home. **On Sunday, May 30th, the old pool furniture will be available for sale from 10:00 am till noon on a first come basis.** There are 6 chaise lounges, 12 single strap chairs and 16 double strap chairs available for purchase. **Cash only please!**

TRUCK WHEELS STOLEN

Recently, a homeowner's truck tires were stolen off of his truck while in the driveway. Please be sure to watch out for suspicious behavior in the community and if you see it call the Frisco Police Department at 972-292-6010.

When possible, park your vehicles in your garage to help deter thieves.

VANDALISM AT THE GAZEBO

The community gazebo continues to be a target for vandalism. Repairs include picket replacement and electrical work. The money for the gazebo repairs come out of your annual assessments and could be used towards community improvements.

Please help keep costs down and help monitor the gazebo. If you see suspicious behavior, please call the Frisco Police. Additional police patrols have been requested but we need community involvement to catch the vandals and to help prevent vandalism.

Thank you for your support!
