

Suncreek Villas

Suncreek Summer Social

The Hamburger Man heated up the grill and the homeowners heated up the conversation at the Suncreek cookout on Saturday, May 5th at the community pool.

Residents enjoyed hamburgers, cheeseburgers, grilled chicken and picnic style sides such as potato salad and baked beans.

Snowball Express, the “We shave it, you flave it” folks in

their mobile fun van was also on hand to keep things cool with their shaved ice snow cones. Guests were encouraged to create their own unique flavors by mixing several syrups. Some partiers even dared to add Pixie Stix to their snow cones to sweeten and intensify their treats and create their own explosive flavors.

The BYOB gathering was a great way for residents, espe-

cially those who are new to Suncreek Villas, to meet each other.

Thank you to Pam Strasen who kindly offered her photographic skills and photo-documented the event.

Great fun!!

Stage 2 Water Restrictions

The City of Allen is currently under STAGE 2 WATER RESTRICTIONS as mandated by the North Texas Municipal Water District.

The HOA may use irrigation

systems twice weekly, if needed. The use of hand-held hoses, soaker hoses or permanently installed drip irrigation systems may be used for up to two (2) hours any day as needed for lawn and landscaping.

If you have recently planted some shrubs or flowers, you may need to hand water them to keep them thriving. The irrigation system supplements, not replaces *Mother Nature*.

Conserve when possible!

Enjoy the BBQ... safely

As the weather fires up, so does the family barbecue grill.

Keep in mind that when charcoal is burned in grills it produces carbon monoxide. Carbon monoxide is a colorless, odorless gas that can accumulate to toxic levels in closed environments. To reduce the risk of carbon monoxide poisoning:

- Never burn charcoal inside of homes, vehicles, tents or campers.
- Charcoal should never be

used indoors, even if ventilation is provided.

- Since charcoal produces CO fumes until the charcoal is completely extinguished, do not store the grill indoors with freshly used coals.
- Never bring the propane tank into the house.
- When using barbecue grills on decks or patios, be sure to leave sufficient space from siding and eaves.

- Keep children and pets as far away from grills as possible at all times.

Everyone enjoys summertime and great food from the grill. By taking a few precautionary measures, everyone can enjoy a safe and happy cookout season!

Enjoy!

Mixed berry hobo packs a whollop for dessert!

Ingredients

- 1 pound (3 cups) mixed strawberries and blueberries, strawberries halved or quartered if large
- 1 teaspoon finely grated lemon zest
- 1 tablespoon lemon juice
- 1/4 cup sugar
- 3/4 teaspoon cornstarch
- 2 tablespoons unsalted butter, softened
- 4 12-inch squares of heavy-duty aluminum foil

- 4 (1/2-inch-thick) slices of pound cake
- Crème fraîche or vanilla ice cream, for serving

Directions

1. Light a grill. In a medium bowl, combine the strawberries and blueberries with the lemon zest, lemon juice, sugar, and cornstarch. Spoon 1/4 tablespoon of the butter in the center of each sheet of foil and top with the fruit. Bring 2 sides of the foil up over the fruit and fold to form a seam across the top. Fold the remaining 2 sides

to seal the hobo packs completely.

2. Grill the hobo packs over moderate heat until the fruit is sizzling, about 10 minutes.

Spread the remaining 1 tablespoon of butter on the pound cake and grill on both sides just until toasted, about 1 minute. Transfer to plates. Open the hobo packs and pour the berries and juices over the pound cake. Serve with a dollop of crème fraîche or ice cream.

Community Updates and Reminders

Don't forget! Quarterly assessments are due July 1st

Please store your trash and recycling containers in your garage and out of public view on non-collection days. Containers should be placed outside the morning of pick-up day.

For those of you who store them in your back yard, please make sure you wash the containers occasionally so they do not cause an odor.

Homeowners are responsible for changing the *exterior light bulbs* as needed. Make a point of stepping outside as soon as it gets dark to check your garage lights. If the bulbs are burned out replace them with a clear candelabra bulb.

We need a copy of your condo policy for our files. Please provide evidence of insurance and fax it to 972-991-6642 or e-mail it to Dana or Vanessa.

Homeowners are responsible for basic townhome maintenance. Are the seals of your windows broken or does your front door need re-staining? Take a step back from your home and take a good look at it.

Please do not give out the pool code! Guests must be accompanied by a resident in order to use the pool area. And remember to clean up after using the grill.

Please be careful when driving in the community, especially at the mailboxes. Travel at the posted speed, yield to other drivers, and always stop — a full stop — at all stop signs. It's the LAW.

Kee your garage door closed, even if you are at home, to prevent theft. Be

a good neighbor. If you see suspicious activity in the neighborhood, please contact the Allen Police Department.

If you see the irrigation system running for longer than one hour in any one zone, please contact our office immediately. It is especially important to be "water wise" and conserve water whenever possible. If your call is during normal office hours we can be reached at **972-960-2800**. SBB's after hours emergency number is **972-985-8500**.

Dog owners must pick up after their pets regardless if the waste is on their own fenced in yard, a neighbor's property, the Association's property, sidewalk or open area. **Please use the pet waste station near Apple Hill Drive and Tarrytown Lane.**
